Flowering Dogwood

in all the beauty of their Spring-time bloom can be planted *now!* You can revel in their pink and white loveliness *now!*

How versatile are these favorites of flowering trees, the *Dogwood!* Their gorgeous blossoms are long-lasting; the foliage is richly green in summer—and when autumn comes, what a blaze of glory! Dogwood trees are distinctive even in winter, with their delicate horizontal tracery of branch and twig, and their brilliant berries that attract the birds.

Surely your grounds, your garden, are not complete without *Flowering Dogwood*, with its year-round charm.
